

REMARKS

This is an Amendment after Allowance in which the Applicant has amended the title to recite “Topical Delivery of L-Arginine to Cause Beneficial Effects.” It is not clear why the title in the Patent Office’s records previously omitted the “L-”, and the claims as allowed generally recite “L-arginine.” Accordingly, it is respectfully requested that this amendment be entered.

If, for any reason, the Examiner is of the opinion that a telephone conversation with the Applicants’ representative would expedite prosecution, the Examiner is kindly invited to contact the undersigned at the number below. Please charge any fee or fee deficiency occasioned by this Amendment that is not covered by an enclosed check to Deposit Account No. 23/2825 under Docket No. S1509.70029US00 from which the undersigned is authorized to draw.
